PRESS RELEASE

07/28/2025

Guam Legal Services Corporation – Disability Law Center (GLSC-DLC) is proud to support the Americans with Disabilities Act (ADA) 35th Anniversary. On July 26th, we celebrated this important civil rights law, which prohibits discrimination against individuals with disabilities in all areas of public life, including employment, education, transportation, and all public and private places open to the general public. As the federally mandated Protection and Advocacy (P&A) system for Guam, GLSC-DLC works to ensure all people with disabilities have the same rights and opportunities as everyone else to access the benefits of services, programs, or activities of a public entity and not be discriminated against by any such entity.

Today, GLSC-DLC will go before the Honorable Ramona V. Manglona, District Judge, District Court of Guam, to ensure that Southern High School (SHS) is compliant with the accessibility requirements of the ADA, and to promote access and equal opportunity for students with physical mobility disabilities to the educational benefits, services, programs or activities on the campus of SHS and not be discriminated against based on physical mobility disabilities.
